about us

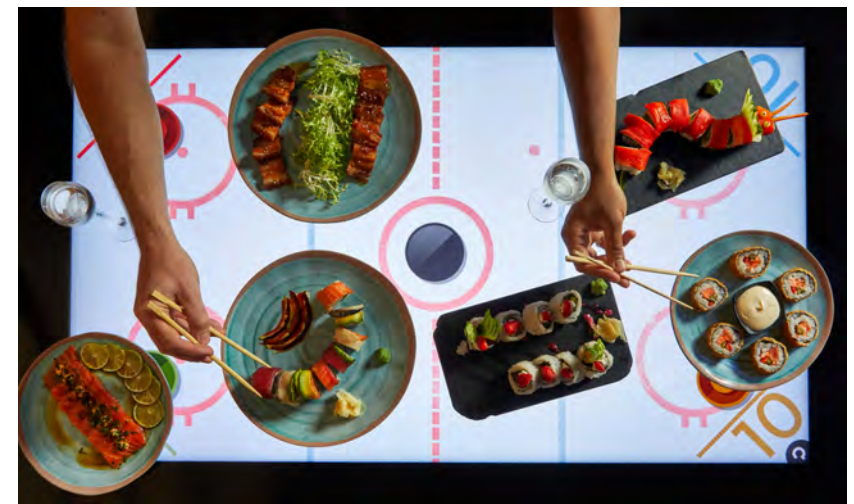

inamo presents stunning pan-Asian cuisine using the world's first interactive restaurant tables. Order with a touch of your table, play engaging games, even colour & draw on your table surface.

We've recently launched brand new touch-sensitive tables with over 20+ new games including 4-player air hockey, pool, space invaders, archery & many more. The table experience is unlike anywhere else in London or beyond.

split the table in 4 so everyone can choose what to play or order

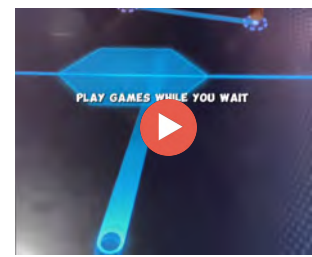

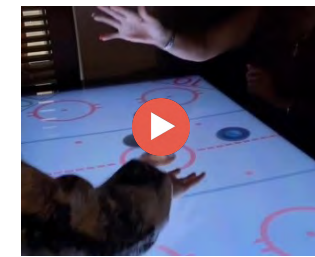

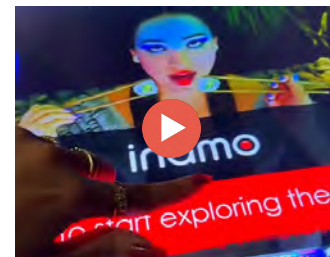

inamo also boasts 2 award-winning Games Rooms with 150 inch wall projections, games consoles, and karaoke systems with over 90,000 songs; perfect for gaming, live TV & sports, and a sing-along; with their own private bars & private dining options.

or all join in together, perhaps a 4 player game of air hockey?
